Dear Mr. Lower:

Re: Final Approval, Nielson Sandstone Quarry, M/023/012, Juab County, Utah

On August 27, 1987, the Board of Oil, Gas and Mining granted approval on the form and amount of reclamation surety for the above referenced project. The conditions outlined in the Division's Tentative Approval Letter of June 29, 1987, have now been adequately addressed, and formal approval is hereby granted.

Thank you for your cooperation, and best wishes for a successful project.

Sincerely,

D. Wayne Hedberg
